<http://jcs.tokyo/en>

"Japan Content Showcase", is a multi-content market featuring music, TV, film and animation as a joint market.

Last year, as a multi-content market place, and developed further with a record-high attendance of 24,236 visitors and 6,663 business meetings held over its three day session. Domestic and international number of buyers registered 1,433 people from 50 countries and regions. The growing acknowledgement of JCS has been verified by the increase of registered buyers from abroad such as North America.
