7. Part of your information from last year will be shown on the registration page. Please update your information, and complete this year's ID registration.

《Notice》

- Please note that you cannot suspend the registration process once started. If you stop filling in the information to log out at the payment page, the registration gets cancelled. In these cases, you need to register as a new Buyer.

- In order to use Password Reminder, please enter the email address you registered last year, or you cannot receive your new Password.

- Please use a unique email address and please avoid using a shared email address (e.g. an email address used among your team) since JCS organizer's office will send important information to the registered address.

- You may not be able to retrieve your information from 2018 if you have changed your email address or changed company. In these cases, please register again as a new Buyer.
