【Finalists Selection】 Tokyo Project Gathering (TPG) selected 34 Projects!

Tokyo Project Gathering (TPG) will be held again this year under the auspices of the Ministry of Economy, Trade and Industry and Japan Institute of Development and Promotion for Picture on October 21-24, 2008.

TPG (Tokyo Project Gathering) is a market for international co-production and finding investors, or project partners. TPG2008 has received more than 120 applications from 25 countries.

They came mainly from Asia, but this year we received increasing numbers of applications from Europe, North and South America as well. TPG2008 selected 34 finalists applied by world famous filmmakers and directors. (ALL Selected Projects will be released in mid September on our official website)

TPG2008 has actively been promoting its market to various business fields in addition to film industry, and there will be more business opportunities for its participants by networking parties and business matching compared to previous years.

.....
 ● The advantage and ways of International co-production ●

- ①Investment According to the market will be more than one country, investors can keep rights. Then, investors are able to expand opportunities of sales for each stage, for example screening, DVD, TV, publish, and etc.
- ②casting Agencies can take own rights and expand the income opportunities with film sales
- ③Music Artists can easily enjoy international promotion, and get more customers in foreign Countries with a film. Of course, it will create music sales opportunities beyond the border.
